ABOUT ME

Passionate Web Developer with extensive experience in creating innovative digital solutions. I seek to bring my advanced technical skills and collaborative approach to your company team, in order to contribute to the success of challenging projects and continued growth.

WORK EXPERIENCE

- **developer**
LosAndesIoT
2023-2024

I develop front-end and back-end using technologies such as Nuxt.js, Node.js, Express.js, Bootstrap, MongoDB, among others. I also handle connections with IoT devices through MQTT protocols.
